## Supporting agencies, families, care facilities & communities

### WE PROVIDE

- Compassionate, affordable professional support and care solutions for children, adolescents, adults & families
- Customized service options through one-to-one support and individualized programs
- Support for children, adolescents and adults who are experiencing behavioural, social, or emotional difficulties
- Services and supports for individuals with developmental disabilities
- Support and care options for adolescents, youths or adults with unique or complex needs
- Home based care and direct family supports
- Services offered at home, in a treatment or care facility or in the community
- Support and solutions for agencies, hospitals, group care settings, and community based programs
- Relief from staffing challenges

With the privilege of over 25 years experience in caring for children and families, Family Options offers a diverse menu of care options.

Our Staffing Support Options are reliable and affordable. We are committed to meeting your individualized care needs, strengthening families and promoting success and solutions towards optimal care and wellness. Our services are client specific and enhance the physical, mental and social wellness of each individual client at home or in a care facility or community setting. Our commitment to high standards of care and enhancing the lives of families is what guides our teams of professionals.

### OUR TEAM

Quality, care and trust permeate throughout our hiring, training, and employment. Each individual goes through an extensive work history and background check. We carefully match our care providers to the needs and environments of our service requests.
